Nutella brownies are always a big hit. Even better is that this recipe is easy and can be made quickly.

The best part of this strawberry lemon trifle (aside from the taste) is most of it can be made in advance.

Yes. A second Nutella recipe. After making these cookies you can sandwich them together with Nutella in the middle. It's a thing of beauty.

Everyone has apples in the house, so why not make the tastiest recipe for apple butter ice cream with oat crumble topping? Am I right?!

Cook to impress. This classic WindsorEats video teaches how to French a rack of lamb and make everyone say "Ooh la la!"

Our very own Catrina pulls up to the bar and has some fun showing us how to make one of the most classic (and enjoyable) cocktails around: The Old Fashioned.

If you're having a non-traditional meal, get everyone involved by learning how to shuck an oyster with a screwdriver.

Another classic video helping you learn a quick and easy way to tie a chicken for roasting.

# *Thank you for supporting local*

We hope our Ultimate Food & Drink Gift Guide inspires and encourages you to shop local and support your community when buying gifts this year.

Also remember, gift certificates from local restaurants and (shameless plug) from WindsorEats also make great gifts when buying for those who are a little pickier to choose for.

Please follow @WindsorEats

Merry Christmas and Happy Holidays to everyone.  
Be kind and stay safe!
